The Cornwall Tourism Awards awarded Tregoad Holiday Park a Gold in Wildlife Friendly Business of the Year and Bronze in Holiday Park of the Year categories at their glittering black-tie event, which took place last November.

Matt Way, General Manager of Tregoad Holiday Park, said, *'It is simply wonderful to be recognised for our continued efforts by these revered awards, reaffirming that we as a business continue to provide our customers with an excellent experience following years of dedication, commitment, and investment.*

'Sustainability is at the heart of what we do and all our operations and development works are designed to celebrate and enrich the local environment. We know that the signature lakes at Tregoad are so important for local wildlife which is why we work incredibly hard to preserve this location and engage with guests in learning about the local ecosystem.'
